MASSAGES

Body Worship Signature Massage
60 mins | 235 K 90 mins | 295 K

This massage technique combines deep tissue and Shiatsu methods. firm pressure with slow movement and significant finger pressure points. Additionally, it incorporates elements of acupressure. The goal is to relieve tension and tightness in the bodies muscles and connective tissues.

Tension Relief Massage
60 mins | 195 K 90 mins | 265 K

This massage focuses on the back, glutes, and hamstring to enhance blood circulation and allow tissues to receive more oxygen and nutrients. This helps relieve accumulated muscle stress.

Shiatsu Massage
60 mins | 235 K 90 mins | 295 K

This massage does not use oil. It focuses on pressure points using the fingers, thumbs, elbows, knuckles, feet, and palms. It includes acupressure, assisted stretching, and joint manipulation and mobilization.

Pregnancy Massage
60 mins | 210 K 90 mins | 285 K

This massage style is designed to address common issues that arise during pregnancy. It focuses on increasing blood circulation, easing muscle aches, and promoting relaxation.

Traditional Balinese Massage
60 mins | 175 K 90 mins | 245 K

The Balinese massage style uses firm thumb pressure to relieve tension and fatigue, reduce stress and headaches, and relax your whole body.

Campur Campur Massage
90 mins | 265 K

This treatment begins with Balinese body palming, followed by a full-body massage and traditional pandan compresses, which have a calming effect on the body and mind.

Warm Oil Aromatherapy Massage
60 mins | 195 K 90 mins | 265 K

This blissful massage style uses warm massage oil with your choice of essential oil to improve blood circulation and enhance the lymphatic system, thereby improving organ function.

MASSAGES

Hot Stone Massage
60 mins | 195 K 90 mins | 265 K

This massage is a fusion of Swedish and Balinese massage styles with the addition of heated stones, which help to deepen relaxation and peace. The penetrating effects of excessive pressure.

Herbal Massage
90 mins | 265 K

After a traditional Balinese-style massage, steamed herbal compresses are applied. This gentle massage is ideal for tender areas. It dilates blood vessels and increases blood and oxygen flow throughout the body.

Four Hand Massage
60 mins | 345 K 90 mins | 485 K

It feels like getting two massages at once. It's a sensory experience that allows your to abandon control and simply enjoy and embrace this sensational massage style.
